INTRODUCTION

Marmo is an owner-run restaurant and wine bar in the heart of Bristol serving a concise Italian influenced menu that is guided by seasonal and locally sourced ingredients.

Our wine list showcases European producers who farm their vineyards organically or biodynamically and who use minimal or no chemical intervention in the winery to create vibrant and energetic wines.

Marmo is an elegant and welcoming dining space located in a Grade II listed building in the heart of Bristol's old town.

With high-ceilings and an abundance of natural light, Marmo makes the ideal setting for any occasion.

The restaurant is available for exclusive hire for up to 34 guests.

We offer a set menu in a similar style to that of our evening menu, combining a selection of dishes for the tables to share (snacks and starters), as well as individual courses (main and dessert). There is the option to include canapés with a welcome drink as well as an additional pasta course.

We are very happy to cater for all dietary requirements and allergies with notice.

TESTIMONIALS

A top-down view of a restaurant table with a white plate of dessert, a glass of wine, and a shadow of a hand. The table surface is dark with a light-colored speckled pattern. The dessert on the plate consists of a round base, possibly a chocolate cake or tart, topped with a scoop of white ice cream, a drizzle of caramel sauce, and a dusting of crushed almonds. A glass of amber-colored wine is positioned to the left of the plate. A shadow of a hand is cast across the table from the top left towards the center.
